### WVASA SEEKING SPONSORS FOR WINTER CONFERENCE 2021

The West Virginia Association of School Administrators is seeking sponsors who would like to reserve exhibit space at our annual Winter Conference. WVASA is a statewide organization that has approximately 200 members consisting of county school superintendents; assistant superintendents; central office administrators; and State Department administrators; college professors, and retired school administrators. Our winter conference this year will be held January 28-29, 2021 at Robert H. Mollohan Center in Fairmont, West Virginia.

There are limited corporate sponsorships available. I have personally spoken with most of you and appreciate your continued support of our organization.

The fee of \$1,000. includes participation in all activities of the conference, including meals and meetings.

We feel sure that attendance at this conference will be valuable to your company. Conference attendees represent all West Virginia county school districts, plus regional and state educational entities. Exhibitors will be prominently featured the entire day of January 28th.
